

Anthony and Ana Williams yesterday filed a civil lawsuit in San Mateo County Superior Court against Rebecca Delgado and Rockaway Beach Clocktower, LLC.

The lawsuit alleges that on March 3, 2017, “plaintiff fell down the stairs crashing into the obstructions defendant placed on the landing and then falling down a flight of stairs to the first floor, causing a back injury requiring subsequent back surgery. Plaintiff was forced to use the stairs to try to get to his office because defendant refused to provide a working elevator for plaintiffs use despite knowing of plaintiff’s disability.”

The Williamses are suing for wage loss, medical expenses, and earning capacity. They seek compensatory and punitive damages based on Denial of Access and violation of both the Americans with Disabilities Act and the Unruh Civil Rights Act.

A case management conference is set for June 1, 2018 at 9 a.m. (Case # 18CIV00603).
