

Art Guild of Pacifica's "Winter Art Faire"

The Art Guild of Pacifica presents "Winter Art Faire," its annual holiday art show and sale, at Sanchez Art Center, beginning with the Opening Night Gala on Friday, Dec 8, 5–9 pm. The "Winter Art Faire" continues on Saturday, Dec 9, 10–5 pm, and Sunday, Dec 10, 1–5 pm, offering an ideal holiday shopping experience.

"Winter Art Faire" provides a showcase for local artists to share their creations by renting a section of wall space to show their work, or by participating in the salon-style exhibition. In all three galleries, you can purchase the art right off the wall! "Winter Art Faire" is the perfect place to find unique items for the special people in your life, in a relaxed and welcoming atmosphere. Don't forget to gift yourself as well! All three galleries will be filled with artwork, including small gift items such as cards, ornaments, ceramics, and books. In addition to the fine art, we'll also have local artisan vendors selling jewelry, handmade purses, ceramics, and more. Visit the beautiful "Winter Wonderland" installation in the East Gallery. Visitors can also create art, making painted snowflakes, mini-books, gift tags, and origami creations, from 10 am to 4 pm Saturday, Dec 9, and 1 to 5 pm on Sunday, Dec 10.

In "Winter Art Faire," the Art Guild of Pacifica creates the perfect place spend an afternoon looking at art and talking with the artists, including those Sanchez studio artists who open their studios during this time. You may find some real treasures here, so make "Winter Art Faire" your first gift-buying stop, and enjoy artful holidays!
