

Here's an update for the many people asking about the vote tally in the contest for San Mateo County Superintendent of Schools.

The election STILL remains too close to call. Today the county Elections Office released these totals:

Gary Waddell - 40,487 - 50.05%

Nancy Magee - 40,412 - 49.95%

There are just 75 votes separating the two totals - a mere 1/10 of 1 percent! And the late votes seem to be moving in Nancy's direction!

There are still lots of ballots to be counted. Updated results will be posted on [the county's website here](#) at:

4:30 p.m. Friday, June 15

4:30 p.m. Wednesday, June 20 (if necessary)

Stay tuned!
