Subject: Withdrawal of Notice of Determination

This letter provides notice that the California Department of Transportation has decertified the Final Environmental Impact Report (FEIR) for the State Route 1/Calera Parkway/Highway 1 Widening Project (from South of Fassler Avenue to North of Reina Del Mar Avenue in the City of Pacifica) San Mateo County, California, which was approved August 2, 2013.

While the FEIR has remained valid, despite the unsuccessful litigation challenging the document in state court, Caltrans has decertified the FEIR and vacated the project approval on December 26, 2017.

This action is based upon the City of Pacifica's September 11, 2017, Resolution No. 47-2017 requesting that Caltrans "abandon the proposed widening of Highway 1 and remove it from further consideration," and the City's clear communication that it will not be proceeding with sponsoring the Calera Parkway Project.

Please contact Melanie Brent, Deputy District Director, at (510) 286-5907 should you have any further questions regarding this matter.

Sincerely,

BIJAN SARTIPI
District Director
