

Members and Friends:

The Pacifica Historical Society will hold its 3rd Quarterly Meeting on Sunday October 15th at 1 PM

The presentation for our Quarterly Meeting on October 25 will feature Earth Sciences Professor Linda Hand of the College of San Mateo. Dr. Hand teaches a Survey of Geology, General Paleontology and Oceanography.

The paleontology will come in handy as we will also welcome Pacifican Ian Butler, who discovered some mammoth bones while cleaning a local beach some years ago, and is now donating those bones to the Pacifica Coastside Museum. They originally belonged to a Columbian Mammoth, a species that went extinct around 11,000 years ago.

The public is welcome at our Quarterly Meetings, which are held at the museum at 1850 Francisco Blvd. beginning at 1 P.M. There is no charge, but donations are appreciated.

Elections will be also held at the Quarterly Meeting.

The following members have been nominated:

Officers: President - Erika Rigling
Vice. President - Kathy McGuire
Secretary - Patricia Kremer
Treasurer - Jerry Crow

Board Candidates:
Joanne Anderson
Jean Brink
Seve Talsky
Diane Zollinger

PLEASE NOTE: Only current members may vote. Nominations may be made from the floor.
