**Child Pornography Suspect Arrested**

Pacifica, CA – On May 16, 2017 at approximately 7:00am, the Pacifica Police Department served a search warrant at a residence on Eastridge Circle. The operation was the culmination of an investigation that began earlier this year after detectives became aware that a subject in the City of Pacifica was downloading child pornography images via the Internet.

Pacifica detectives were assisted on scene by agents from the Federal Bureau of Investigation computer task force. While searching the residence, detectives found numerous computers and electronic devices. The devices that were located were examined by the FBI forensic computer agents while on scene, and approximately 14,000 child pornographic images were located within the devices.

One of the residents detained during the search, 28-year old Marlon Ramirez, provided a statement to investigators. Ramirez was later arrested and booked into the San Mateo County Jail in Redwood City for 311.1(a) PC (Circulation of Child Pornography) and 311.11(a) PC (Possession of Child Pornography).

Refer to case number 17-1520.
