### **MOBILE APP TO REPORT ILLEGAL FIREWORKS**

Pacifica, CA- This year the Pacifica Police Department will be utilizing a smartphone mobile app to allow residents to report illegal fireworks. Developed by TNT Fireworks, the app called "Nail 'em" was beta tested during the Fourth of July last year. The app allows users to report the possession, use, or sale of illegal fireworks from their mobile device including photos and GPS locations. This complaint is electronically reported to the Pacifica Police Department.

The "Nail 'em" app is being provided to communities throughout California and their residents, free of charge, as a public service of TNT Fireworks. The "Nail 'em" app is available through the Apple iTunes Store and Google Play and has been developed for both the iPhone and Android platforms.
