

This is to notify you that Caltrans District 4 Office of Traffic Safety is pursuing a bicycle prohibition on the State Route 35 freeway interchange with State Route 1 between Hickey Boulevard to Westmoor Avenue due to the number of ramps in each direction and number of lanes bicyclists need to merge across with motorists travelling at freeway speeds. Alternate routes are available to bicyclists on the local network via Skyline Dr./Gateway Dr. to the west of Route 35 and Southgate Ave/St. Francis Blvd/Callan Blvd. to the east. Signs will be installed in the next couple weeks alerting bicyclists of the freeway prohibition. I'm contacting you to either help get the word out or let me know of any contacts I should reach out to. I would also like to know if there are any suggestions for future consideration for bicyclists along the SR 35 corridor in Daly City since we are currently developing a [District 4 Bicycle Plan](#) that will cover the State Route network in the Bay Area. Please let me know if you have any questions.

Sergio Ruiz

Pedestrian & Bicycle Coordinator/Branch Chief

Caltrans District 4
