

*Happy new year*

Dear Members, Volunteers and Friends of the Pacifica Historical Society,

Thank you so much for being a member and friend of the PHS. We appreciate your interest and time in making this the best Museum along the coast. Welcome to another year of interesting and exciting exhibits, programs and events at our Pacifica Coastside Museum.

During this past year, with your help, we maintained much of what the PHS is noted for...it's exhibits, its Pacifica Jack Cheese, and it's commitment to preserving and restoring coastside history. We also accomplished many new ideas for our organization: by attracting and training volunteer docents to escort visitors through the Museum, by maintaining our building in a safe and clean manner, by holding informative Quarterly Meetings, and by developing new and inspiring exhibits showcasing the history of our Coastside.

We invite you to help in the restoration of our Ocean Shore Railroad Car #1409, our docent training program coming up in March, and our ongoing educational program of speakers, exhibits, and outreach. We welcome your ideas, and your participation.

Please come to visit us when the Museum is open... 1 to 4 PM on Tuesday, Thursday, or Saturday.....or any time by appointment.
