## MEMORABILIA FROM PACIFICA'S CASTLE FOR SALE

Dear Members,

### MEMORABILIA FROM PACIFICA'S CASTLE FOR SALE

#### OWN A PIECE OF PACIFICA HISTORY !

The Pacifica Historical Society has received a fabulous donation from the Sam Mazza Foundation of items from their collection at Pacifica's Castle. These are earmarked for us to sell to help raise funds to continue the restoration of our Ocean Shore Railroad Car that will some day be part of our Pacifica Coastside Museum.

We have artwork and statuary and stained glass- indoor and much outdoor art, and even a vintage coke machine. There is a wide range of value -many require some restoration. See below for photos of some of our treasures.

We will also supply a certificate of authenticity verifying provenance. Please call Kathleen Manning @415 509 6685 for details. They will be available to be viewed at Crespi Center by appointment only. Call 415-509-6685. Thanks.
