

As part of our 250th Anniversary of the “ first contact” in our area of Europeans with native Americans, we are including a focus on Ohlone life and culture. We want to make sure our membership knows about an upcoming exhibit at the **Sanchez Art Center. Opening Friday, Jan 11, with a reception from 7 to 9 pm**, are three new exhibits. *Face to Face* is an exhibition of works by Santa Cruz photographer R. R. Jones in the Main Gallery, curated by Susan Hillhouse Leask. Opening concurrently is *California Indigenous Resilience*, an exhibition of works by nine indigenous artists, facilitated by Kanyon Sayers-Rood of Kanyon Konsulting. The third exhibit is *The Blues*, a group exhibit from the Art Guild of Pacifica. Blue City Jazz will provide music for the Friday reception. There will also be a special event Saturday, 1/26, 2:30pm
