Friends of San Pedro Valley Park

Our small corporation seriously requires an experienced accountant/bookkeeper to keep our financial house in order by keeping accurate records of the financial transactions of the Friends group, so that the information is available for the Friends group, and for the requirements of the State and Federal governments. The accountant/bookkeeper is also responsible for paying bills and making deposits, under the direction of the Board of Directors.

Please respond ASAP if you are willing to be Treasurer for the Friends group.
