

2018 Sustainability Awards

Save the Date

5:30 pm • Thursday, March 29, 2018

Make a Nomination

Deadline: November 13, 2017

*Growing a
Sustainable World*

[Sustainable San Mateo County invites you to nominate](#) your favorite #sustainable organization, business or individual for our 2018 Awards - even yourself!

We're looking for:

- businesses with sustainable values and operations
- community groups who promote sustainability
- individuals who advocate for sustainable living
- architects who have designed a LEED building
- builders or owners of a green building in San Mateo County

Since 1999, Sustainable San Mateo County has recognized over 100 sustainable organizations! Previous winners include San Mateo County Parks, Sunwork Renewable Energy, Kepler's Books, Devil's Canyon Brewing Co., Mid Pen Housing, Nueva School and Peninsula Open Space Trust.

The winners receive the following:

- community recognition of their achievements at the event and afterwards
- professionally-produced video of their story (value approx \$5000)
- plaque commemorating their award
- two complimentary tickets to the Awards dinner (value \$250)
- one year's complimentary membership to SSMC
