

Caltrain is a proof-of-payment system; tickets are not sold onboard trains but can be purchased at station ticket machines or via mobile ticketing before boarding. Day Passes purchased through the mobile app are valid on the day of purchase through the end of the service day. Parking at Caltrain stations costs \$5.50 for the day, and permits can be purchased using the Caltrain mobile app or through ticket machines onsite. The mobile app can be used immediately after parking, as it requires a space number. Paid parking rules are enforced throughout the day. Caltrain reminds customers that open alcoholic beverages are prohibited on the trains beginning at 9 p.m. on special event days and nights. Caltrain encourages riders to wear a face covering while on board. About Caltrain: Owned and operated by the Peninsula Corridor Joint Powers Board, Caltrain provides rail service from San Francisco to San Jose, with commute service to Gilroy. Serving the region since 1863, Caltrain is the oldest continually operating rail system west of the Mississippi. Looking to the future, Caltrain is set to electrify the corridor by 2024, which will reduce diesel emissions and add more service to more stations.
