

Dear Friends and family,

Pacifica Peace People is helping the children of Gaza. Will you join us? **MECA** (Middle East Children's Alliance) and **PCRF** (Palestine Children's Relief Fund) are outstanding organizations serving the children during this most horrific time of their lives. More than 16,000 have been killed; too many have become orphans; still others barely surviving the atrocities in Gaza need our help to ward off starvation, life-threatening illnesses, and horrific injuries. Children can't continue their education; their schools have been bombed; they have been displaced from their homes and families. There is literally no safe place in Gaza.

For the past 15 years, Pacifica Peace People gathered your names and accepted donations to run a full-page ad in the *Pacifica Tribune*, to emphasize **peace** on **International Day of Peace, September 21**. This year, since the *Tribune* publishes only online, we are doing something different. **We are fundraising to help Gaza's children.**

We invite you to help us reach our goals. Use the QR code on the flyer below. Or use the links on our website www.pacificapeacepeople.net. Write a check to **MECA** and/or **PCRF** (their addresses are on our website).

Please contact elected officials: President Joe Biden, Vice President Kamala Harris, Secretary of State Antony Blinken, Secretary of Defense Lloyd Austin; California Senators Alex Padilla and Laphonza Butler; California District 16 Congresswoman Anna G Eshoo. Ask them to end the flow of weapons to Israel. **Your voice COUNTS!**

Finally, please come wave peace signs with us on **International Day of Peace, Saturday, September 21 from 12 to 1 p.m., Highway 1 at Crespi (east side of highway).** Show your commitment to peace with like-minded citizens! Thank you.
