

**"Emergence"**  
**Quarry Cove Art Gallery**  
**Presented by Pacifica Art Connection (PAC)**

The art exhibit "Emergence" features works by emerging artist Megan Masnaghetti, PAC member Cindy Chan, and PAC member and curator Karen Rosenstein.

We chose this theme as we each have been seeing the concept or process of "Emergence" at work in our respective lives over the past few years.

Our work portrays healing, positivity, looking forward, finding moments that mark growth or turning points, seeking paths and solutions, exploring possibilities, and emerging into a world where COVID remains present.

Please save the date of Sunday afternoon, August 21, to come by and talk with the artists at our reception from 2-4 p.m.

(We ask that reception visitors wear N95 or KN95 masks as one of the artists has a compromised immune system. We will have a supply of masks on hand to give out.)

If you have an interest in one or more of these artworks or want more information, please contact gallery curator Karen Rosenstein at (650) 738-9715 or [Art@catsincharge.com](mailto:Art@catsincharge.com).
