

Gary Waddell has called **Nancy Magee** to congratulate her on her election as county **Superintendent of Schools**.

Chief Elections Officer **Mark Church** reported, "Approximately 3,000 ballots remain to be processed. There will be another release of votes tomorrow, Thursday, June 21 at 4:30 pm, and every day thereafter, if needed, until all the votes are counted." It is statistically improbable that Nancy will not win.

The [vote totals](#) current stand at:

Nancy Magee - 63,404 - 50.46% **Gary Waddell - 62,247 - 49.54%**

Nancy is ahead by 1,157 votes (not 1,357, as I previously noted), a lead of 0.92 percent.

She will make a fantastic Superintendent!
