

Hi All-

One of our Mavs Board members who is also a HS athlete parent is asking for our help to get a new pool for our community. Please take a moment to read the attached letter and send to ALL of the below listed entities.

Whether you prefer to send your own letter or use the one attached - just please make your voice heard.

Below are the e-mail addresses for Cabrillo Unified School District School Board, City Council, Half Moon Bay High School Boosters Club and the Friends of Half Moon Bay Parks and Recreation as organizations that might be able to help.

Thanks for all your patience and let's make this happen! Feel free to share with anyone that would be willing to support this effort!
