

Hi John,

Most of the Daly City crowd (& others) ambled down to the Belmont Speedway beginning (circa) 1950 (?), and going on for years into the future.

For the time being I'm attaching this unusual jpeg depicting the start of the Trophy Dash sometime prior to 1955. The reason I assert it was prior to 1955 (but after 1950) is Joe Leonard (#98) is riding one of Tom Sifton's WRs. We also see Charley West (#31) on his Harley Davidson WR. The other racers in the photograph are Joe Godsoe (sp?) and Hugh MacAfee (#89).

I can assure you that Stella & I were in attendance that evening.

Hang in there, John
