

# Want to know or share information on Pacifica nature – whales jumping, flowers blooming, etc.?

## Join the PacificaNature email list – an open forum for sharing Pacifica nature sightings and events.

Here is how to join:

1. Go to Google Groups <https://groups.google.com/forum/#!forum/pacificanature>
2. If you are signed in to a Google account, click the blue “Join Group” button, select your preferences, and then click the “Join This Group” button.

3. If you are not signed in to a Google account, click the link that says “Subscribe to the group” and then enter your email address.
