FLX Pacifica Service Returns to Linda Mar

Starting Monday, May 4, SamTrans' OnDemand service will revert back to the original [FLX Pacifica](#) route in the Linda Mar neighborhood of Pacifica. The last day of OnDemand operation will be Friday, May 1.

The FLX shuttle will operate in a loop that starts and ends at the Linda Mar Park & Ride approximately twice an hour. Shopping centers, parks, community centers, libraries, schools and other key destinations can be accessed riding the FLX. The service offers customers the ability to call ahead and schedule pickups within one half mile of the route a day in advance.

FLX Pacifica map and timetable information is available online at www.SamTrans.com/FLXP.

While the [OnDemand](#) pilot is ending, SamTrans has learned some valuable lessons about how to better provide transit service in Linda Mar. This will be a valuable part of the [Reimagine SamTrans](#) effort to re-evaluate and improve our service. Riders are encouraged to offer feedback at www.ReimagineSamTrans.com.

For more information about SamTrans schedules and fares, call 1.800.660.4287 (TTY 650.508.6448) or visit www.samtrans.com.

###

About SamTrans: SamTrans operates 70 routes throughout San Mateo County. Funded in part by a half-cent sales tax, the San Mateo County Transit District also provides administrative support for Caltrain and the San Mateo County Transportation Authority. SamTrans has

provided bus service to San Mateo County customers since 1976.
