

Pacifica Peace People [PPP] — now in its third year of “Pacifica Talks RACE” — invites you to engage with us in planning and producing our next public event during fall 2023. This event will raise community awareness and bring us together to develop skills for addressing racism in Pacifica. Initial planning includes a panel presentation, a short video, small group practices, music, books/materials display, and refreshments.

As a community leader in Pacifica, can you/your organization become a cosponsor by committing to the following task(s) — mark yes or no on each task [1-9]:

Yes    No

1. Secure a location for this event — free or nominal cost — capacity 100+ persons + space for small group breakout
2. Provide staff to help with any (or all) aspect(s) of the project
3. Recommend presenters
4. Provide technical assistance for the event
5. Publicize and promote the event
6. Recommend books and materials for display
7. Bring refreshments
8. Set up equipment and/or clean up after the event
9. Make financial donation
  
10. How many people will likely come with you?

Friends, we cannot do this without you. We hope you accept our invitation to join us and respond by May 15, 2023. When we determine that we have the support we need to produce/host this event, we will follow up with you.
