Candidate Filing Period Closes Friday, August 10 for the Statewide General Election

(Redwood City, CA) Individuals interested in running for office in San Mateo County in the November 6, 2018 Statewide General Election have until the close of business on Friday, August 10, 2018 to file candidacy papers. City candidates should check the hours of their City Clerk's office. All other candidates have until 5 p.m. to complete their candidate filing with the San Mateo County Registration & Elections Division at 40 Tower Road, San Mateo. The same deadline also applies to local jurisdictions that intend to place a measure on the November ballot.

Candidates are provided a 26-day window in which to file all necessary paperwork under the law. The complete Roster of Candidates is posted online and updated every evening. To view the roster, go to [Current Elections](#) at www.smcacre.org.

If an eligible incumbent for an office does not qualify as a candidate by the close of business on August 10, the candidate filing period for that particular office will be extended another five (5) calendar days and will end at the close of business on Wednesday, August 15. The eligible incumbent will not be permitted to file during the extended candidate filing period.

A 10-day public review period begins at the filing period deadline for each contest. During the review period, any registered voter or the Chief Elections Officer may seek a writ of mandate or an injunction if any material is found to be misleading or false.

For additional information about this process or to make an appointment to file for office, please contact the Candidate Filing Officer, Michelle Yue, at 650.312.5293 or myue@smcacre.org.

New Election Model for November 6, 2018

The November 6, 2018 Statewide General Election will be the second election conducted under the California Voter's Choice Act. Traditional polling places will be replaced by Vote Centers, which will be open for voting for a greater period, and which will offer expanded voter services including voter registration, multilingual assistance, and disabled access voting options. Every registered voter will also receive a Vote-by-Mail Ballot, which can be returned with no postage required in any mailbox or special ballot drop boxes located throughout the county.
