“Back to School” Traffic Safety Reminders and Tips

Pacifica, CA- As Pacifica’s children head back to school, the Pacifica Police Department is reminding motorists to take extra precaution when travelling in school zones. When schools are in session, many children will be walking or riding their bicycles to and from school – many of them during the busiest time of the day when motorists are travelling to work or home after a tiring day. We are offering the following tips:

Reminders for Motorists:

- Slow down. Observe the speed limit in school zones at all times. Be aware of all Stop signs in front of and around schools. Drivers must come to a complete Stop and proceed with caution, looking out for pedestrians and bicyclists.
- Be especially careful when driving on neighborhood streets and around school zones. Always expect the unexpected. Observe all traffic laws. Officers from the Pacifica Police Department will be watching these areas to observe traffic violations and to enforce traffic laws.
- Motorists and parents need to pay attention to parking regulations in and adjacent to school facilities. Be aware of the following “no parking” signs, red zones, fire hydrants, blocking or stopping in disabled stalls, crosswalks, driveways and double parking.
- Be alert for children walking and biking as you back out of your driveway or leave your garage.
- Watch for children on bicycles, especially at intersections.
- Stop your car when you see lights flashing on a school bus. Red flashing lights indicate that the bus is stopped and students are getting on or off. Don't start driving until the red lights stop flashing. Be aware that a child may dash across the street.

Safety Tips for Pedestrians:

- Always walk on the sidewalk. If there is no sidewalk and you have to walk in the road, always walk FACING traffic.
- Wear bright colored clothing to increase visibility.
- Cross only at corners or marked crosswalks.
- Stop at the curb, or the edge of the road.

- Walk in groups, there is safety in numbers. Groups are more likely to be seen by drivers.
- Before crossing the street, stop and look left, then right, then left again. When vehicles are stopped, make eye contact with the driver to insure they know you are there before proceeding.
- If you see a car, wait until it goes by. Then look left, right and left again until traffic is clear and it is safe to cross.

Safety Tips for Bicyclists:

- Wear a helmet.
- Be sure to have reflectors on your pedals, frame, and wheels.
- Be Seen – Be Aware – Be Predictable.
- Follow the Rules of the Road - Ride on the right, with the traffic, in single file. Obey stop signs and traffic lights. Never cross a street without looking for cars. Give the right of-way to pedestrians in crosswalks. When crossing the street, children should get off and walk their bikes using the marked crosswalk.

Let's all keep SAFETY as our top priority to provide a safe and promising school year for our children!

Daniel Steidle
Chief of Police
