Vehicle Collision into a Residence

Pacifica, CA – On June 10, 2019 at approximately 2:00 PM, units from the Pacifica Police Department and North County Fire Authority responded to multiple reports of a vehicle collision into a residence on the 900 block of Crespi Drive.

Officers and personnel from the North County Fire Authority arrived and determined a vehicle had driven through this residence and had come to rest in the backyard. Witnesses and passersby quickly rushed to assist the motorist and determine if there were any other casualties. No one was inside the home at the time of this collision and no other vehicles were involved.

The driver and sole occupant of the vehicle was identified as an 88 year old female resident of Pacifica. Witnesses at the scene reported the vehicle was travelling north on Seville Drive towards the T-intersection at Crespi Drive at a high rate of speed. The vehicle continued through the intersection and into the front of the residence. The driver suffered a minor injury to her arm and was transported to an area hospital for treatment. The vehicle was later towed from the scene.

The City building official assessed the damage to the residence and determined it was not structurally safe for occupation.
