Pacifica, CA- On November 27, 2019 at approximately 5:12 PM, officers from the Pacifica Police Department were dispatched to the 800 block of Linda Mar Boulevard for a reported vehicle that just collided into a home and then fled the scene. The vehicle was last seen east bound on Linda Mar Boulevard with debris hanging from the vehicle.

When officers arrived they determined the residents were home, but were not injured in the collision. While gathering witness statements, the suspect vehicle was found in the 1500 block of Adobe Drive. Officers contacted the driver of this suspect vehicle and saw it had been damaged in a manner consistent with this collision.

Through further investigation and with the assistance of witnesses, both the driver and vehicle were positively identified.
