Shooting During Commission of a Catalytic Converter Theft

Pacifica, CA- On August 3, 2022 at approximately 4:45 AM, officers responded to the 600 block of Edgemar Avenue for a report of a shooting which had just occurred.

Upon arrival officers determined the resident had seen two suspects attempting to steal a catalytic converter from a vehicle parked on the street. The resident armed himself with a BB gun and confronted the two subjects. A suspect then fired several shots striking the front of the home. The two suspects entered a waiting dark color vehicle nearby, described as a Ford mid-size sport utility or similar vehicle, and fled towards Manor Drive.

The two suspects were described as Hispanic males in their 30s, who were speaking to each other in Spanish. A possible third suspect was in the waiting suspect vehicle. Officers conducted a search of the area without success. No injuries were reported.

Detectives checked the surrounding neighborhood for evidence and surveillance cameras which may have captured the suspect vehicle.
