Interim Chief of Police

PRESS RELEASE

September 2, 2022

Catalytic Converter Theft

Pacifica, CA- On September 1, 2022 at approximately 7:08 am, Pacifica Police Officers were dispatched to the 1000 block of Oddstad Boulevard on a report of a catalytic converter theft that had just occurred. The suspects fled the scene driving a white Audi Q5 sport utility vehicle. A Pacifica Police Officer located the suspect vehicle in the area of State Route-1 and Rockaway Beach Avenue. The driver of the white Audi refused to stop for officers which led to a brief vehicle pursuit. Pacifica Police Officers discontinued the pursuit when the vehicle began driving through intersections against red traffic signals, passing other motorists on the shoulder, driving at a high rate of speed, and putting the safety of the public at risk. The suspect vehicle was last seen traveling north on State Route-1 towards Daly City.

Officers later determined the license plate on the suspect vehicle had been stolen and was placed on the suspect vehicle in an apparent attempt to evade law enforcement. The officers are following up on leads in the attempt to identify the two suspects involved in this theft.

Anyone with information regarding this investigation should contact the Pacifica Police Department at 650-738-7314, or may anonymously provide information by calling the silent witness tip line at 650-359-4444. Refer to PPD Case 22-2435
