

Starting March 9 and running till May 7, Double J Ranch will begin a fund drive in conjunction with Coastside Gives. Our goal is to raise \$10,000 or more during this period. See our profile on Coastside Gives at <https://www.coastsidegives.org/doublejranch>

The funds will be used for the planning and development of additional horse paddocks and hay storage. Conclusion of the project will enable us to acquire additional rescued horses and expand our program of serving the community.

For those who support what we do, we ask you to go to our website at www.supportahorse.org and make a donation. If you click the donate button, you will be redirected to the ranch's PayPal Giving Fund site. More important, we ask you to contact your friends, relatives, and the companies you work for to also make a contribution. If you work for a large company, we suggest you contact your employee relations or human relations department to find out the appropriate company foundation that handles donations to nonprofits, and lobby on the behalf of Double J Ranch.

Arlene and I have created Double J Ranch for the Coastside community to enjoy horses. Our plan is to keep it for the community forever. Your investment in time and money will come back tenfold in the future for our community.

Thank you for your continued support

Arlene and Joe
