

The Friends of San Pedro Valley Park, due to the Coronavirus and the subsequent closure of the Visitor Center, must cancel all events in March. This includes Habitat Restoration, Trail Days, and the lecture, "Wildlife Corridors," which was scheduled to be presented by Dr. Tiffany Yap on Saturday, March 21st.

If there are further cancellations in the month of April, we will let you know.

Take care of yourselves, stay healthy and safe, and we hope to see you all in the very near future.
