

The PHS Board has just established the Pacifica Historical Society History Award, which will be given at Awards Night to a senior boy or girl at Oceana High School and Terra Nova High School. He or she may or may not be interested in going into the field (teaching, research, museum administration, etc.) but has shown considerable interest in history during classes while in high school.

Oceana and Terra Nova history teachers will choose the single candidate at each school. Pat Kremer will present the award at Oceana on May 13, while Kathleen Manning will present the award at Terra Nova on May 14.

We have a goal of funding two awards of \$200 each. In the future, we hope to have a fundraiser specifically for this event, but this inaugural year we are requesting individual donations to make our goal. If you can help us fund this award, please send donations for this project to PHS (note **History Award** on check)

and mail to Pacifica Historical Society, Box 752,
