

WALL OF BLUES plays outside at Hop Dogma microbrewery, Princeton Harbor Village (270 Capistrano Road #22) for your dancing and listening pleasure. Enjoy a tasty brew, tap your feet, hang out with your friends. Dog and kid friendly, plenty of parking in the center lot. Saturday, September 25 from 5 to 7 p.m. Hop Dogma has brought craft beer to the Coastside since 2013. Open to pups, kids, food from local vendors and all taste buds. What we have on tap is frequently changing, but our mantra has always remained the same. We don't take life too seriously, except for when it comes to the beers we make.
