

Water is Life! Join us on Friday 10/22 @ 6:30pm for a free film screening & discussion about California & Pacifica's water resources & challenges at the historic Pedro Point Firehouse/Community Center. There are limited tickets available to the in-person event (vaccinations, masks and temperature checks required), but we will also have a simultaneous virtual screening. For more information and to sign up to reserve your spot, see the link below! <https://www.eventbrite.com/e/the-rivers-end-documentary-screening-and-panel-discussion-tickets-179645172547>
