

We had a nice group attend the City Council meeting last Monday night. There were lots of favorable comments about our presentation. Thanks to Rob Wullenjohn, Scott Lindner, Shirlee Gibbs, Deidra Crow, Bob Twigg, and Pat Kremer for being brave and facing the microphone, the council, and the TV cameras.

There is one picture of the event on our website as well as the letter we presented to each member of the council and city manager and economic development person. The letter is a good summation on our goal of having our Oceanshore Railroad car 1409 moved next to Pacifica Coastside Museum.

Good news: Scott Lindner and Shirlee Gibbs are meeting with at least two contractors on Tuesday at 11 a.m. at the car. Both contractors are local and eager to work on the car.

Please check out our website if you haven't already:
